

WELCOME
TO
EAGLE SPRINGS SUBDIVISION

For
SALE

Eagles Springs is a 158 lot subdivision including our 60+ lots now available for your new construction model home. Lots range up to 1/2 acre with sidewalks and parks that are serviced by the City of Milan for utilities, care of the public streets and trash removal. There are 5 models available and each one has 3 different front elevations to choose from. Standard features are listed in this brochure, and you will notice that Eagle Springs offers more than it's competitors. Homes start at \$189,900 with floor plans ranging up to 2028/Sq. Ft.

See the back of this page for the plot of the subdivision.

Contact **Tom Stachler** for a list of available lots.

3 Bedroom/2 Bath—1457 SQFT**

EAGLE SPRINGS SUBDIVISION

Located just 3 minutes from Downtown Milan and only a 15 minute commute to Ann Arbor. All our new construction home listings have numerous standard features that many other builders only offer as options. Contact **Tom Stachler** for a list of the available lots and or spec homes. We are happy to build a home to your specifications as well and the project would be builder funded and not require you to obtain a construction loan.
